New Business:

1. Village Wide Fall Clean-up day will be October 30 from 9 a.m. to 3 p.m.
2. Ed communicated that the Village has purchased 30 packs of Holiday light replacement bulbs. Plans are to install the Holiday lights during the weekend of November 28.
3. Ed communicated that Hancock-Wood needs to reposition at least 3 to 4 Van Buren Athletics' banners.
4. Ed shared the ODOT Safe Routes to School Countermeasure Application had a deadline of November 2. However, it will need to be approved by the Finance Committee and finally Council. The total cost of the project is estimated to be approximately \$400,000 of which the Local Public Agency, if awarded the funds, would pay 100% of the construction cost over and above the maximum amount provided by State of Ohio. However, the signal warrant for the S. Main/Van Buren School intersection was denied. The Committee has forward the request to the Finance Committee for consideration.
5. Greg informed the committee that Ashcraft Tree Services will be planting 10 new and 4 replacement trees during the month of November. Plans are to purchase 10 new trees for the next two years.
